## **FEARLESS ME!**

Watching my grandchildren grow and discover the world around them, I observed how they developed small fears (like all children tend to do) as they grapple with understanding this rich and wonderful new world around them.

**Fearless Me!** is a gift to my grandchildren and all children who may need a little guidance in order that they see themselves as truly fearless.

Sometimes, Noor feels  
afraid of the dark...

**Doesn't she know?  
The dark is afraid of Noor!**

Sometimes, Tarek feels  
afraid of big sounds...

Doesn't he know?  
Tarek can make bigger sounds!

Sometimes, Noor feels  
afraid of monsters...

**Doesn't she know?  
Monsters are not real!**

Sometimes, Noor feels  
afraid of dogs...

**Doesn't she know?  
Dogs love to play with children like Noor!**

**Sometimes, Tarek doesn't  
feel like going to school...**

**Doesn't he know?  
There's so much fun to be had at school!**

Sometimes, Noor feels  
afraid of strangers...

**Doesn't she know? As long as she is with Mommy and Daddy, strangers can be friends!**

Sometimes, Tarek feels  
afraid of the rain...

**Doesn't Tarek know?  
Rain leaves behind puddles to play in,  
and it also helps the flowers grow.**

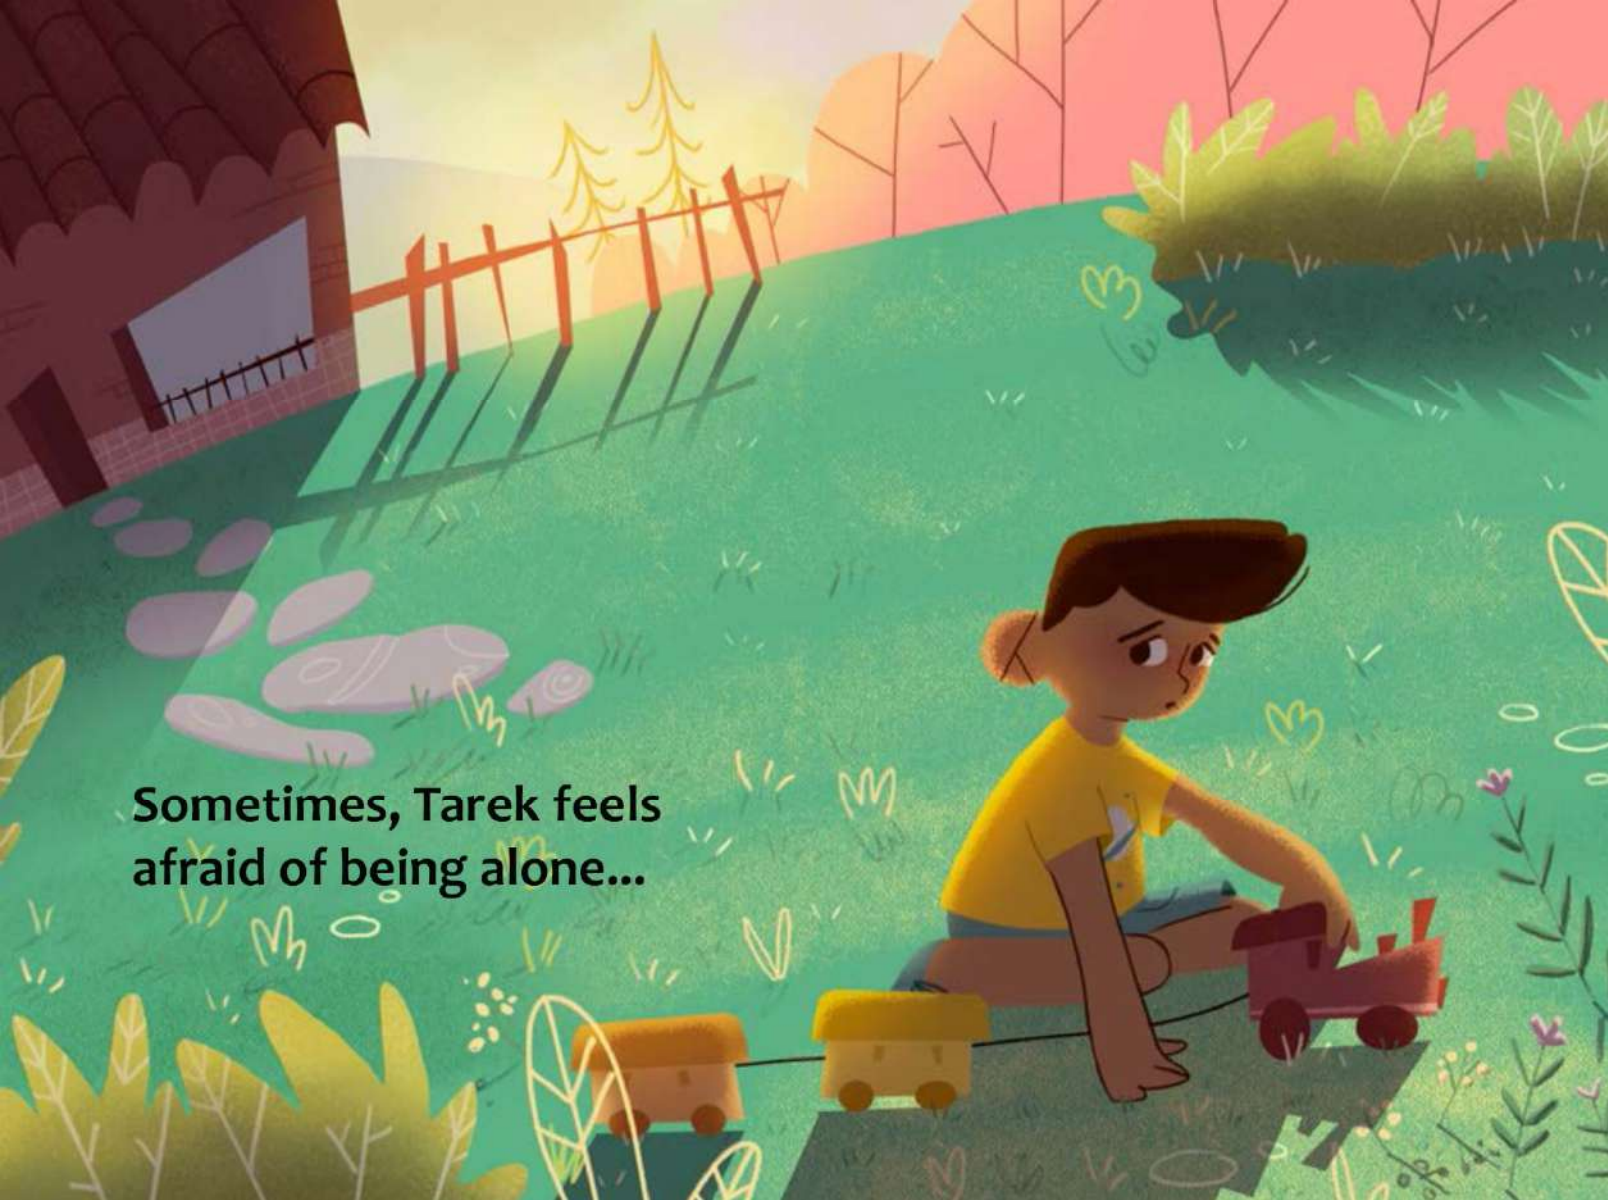

Sometimes, Noor feels  
afraid of shadows...

**Doesn't she know?  
Noor can make her  
own shadow puppets!**

An illustration of a young boy with dark hair, wearing a yellow t-shirt and blue shorts, sitting on a green lawn. He is playing with a toy train consisting of a red engine and two yellow cars. The scene is set in a lush, green field with various plants and flowers. In the background, there is a wooden fence, a house with a brown roof, and a sunset sky with warm colors. The overall mood is peaceful but slightly melancholic, reflecting the text about feeling alone.

**Sometimes, Tarek feels  
afraid of being alone...**

Doesn't Tarek know?  
Mommy is always watching him.

The background is a solid light pink color, densely populated with small, scattered pieces of confetti. The confetti consists of short, thin, rectangular strips in various shades of pink and white, some appearing to have a slight shadow or 3D effect. The overall texture is festive and celebratory.
